### ZAGAT RATINGS & REVIEW

FOOD	DECOR	SERVICE	KEY TO RATINGS COST

"Shhh" say fans of this "charming" cafe in an "unlikely" strip-mall location in Norwalk's Broad River, for it's still a "great secret" among those in the know with "discerning palates" who appreciate its "imaginative", "high-quality" Mediterranean fare with "interesting" South American accents; what's more, the "understated" space is "surprisingly comfortable" and "BYO keeps the price reasonable."

What a pleasant surprise. There were 6 of us, and we had such a good time. The service was friendly, and the wine was great (of course, we brought it). The halibut was light and elegant, but the gnocchi was heavenly. I dream about having it again. Yum!

I had a business dinner here on a thurs nt. I'm in the pharma industry and this was the perfect spot. The food was phenoemenal. A few of the stand-outs were: the mozzarella and bacon app, the seared tuna and the pork chops stuffed with fontina and spinach w/ roasted grapes. The rest is casual elegant with a bit of European flair. Service was very attentive and the BYOB made it perfect. Food is right up there with some top NYC places. Great tapas!
